

Achille

Designer	Jean Marie Massaud
Year	2010

Exceptional comfort, ensured by its padding, combined with refined aesthetics. Attention to detail, formal elegance, and light, essential lines come together harmoniously in the Achille collection, designed by Jean-Marie Massaud. Comprising a chair and an armchair, this collection is perfect for residential spaces as well as work and contract environments. Reduction, synthesis, and lightness are the defining traits that best express the French designer's stylistic vision, with a particular focus on the concept of welcoming and complete comfort. The Achille collection is available with fabric or leather upholstery, fully removable, and offered in a wide range of variants and tones.

Frame
Fully upholstered. In metal rod, foamed with polyurethane rubbers.

Cover
Fabric or leather, removable cover.
