Cosy

Designer	Francesco Rota
Year	2017-2024

Cosy originates from the idea of providing high comfort through a reassuring, warm, and familiar embrace. Its timeless lines, soft and enveloping design, adaptability, and versatile nature make Cosy a padded piece that brings maximum comfort across a variety of settings, environments, and arrangements. This family of upholstered furniture comprises modular elements, featuring seats in different depths and lengths, backrests available in various heights, both aligned and corner configurations, and a selection of accessories such as coffee tables and additional cushions.

The system's versatility allows for customisable compositions, adapting to specific needs and blending seamlessly with any context, style, or preference.

Frame
Bearing frame made of solid and multilayer wood, base with elastic belts, feet and concealed hook system. Padding in variable-density foam polyurethane padding and polyester wadding cover.

Cover
Fabric or leather, removable cover.
